

Watch, play or listen to the thing you want to review and make some notes.

- Think about how it makes you feel.
- Are there any parts you like or dislike?
- ₩ould you spend money on it or recommend it to a friend?
  - Did any parts make you giggle or feel sad?
  - Is there anything you wanted to see or happen that didn't?

When you've got all your notes, you'll be ready to write your reviews.
